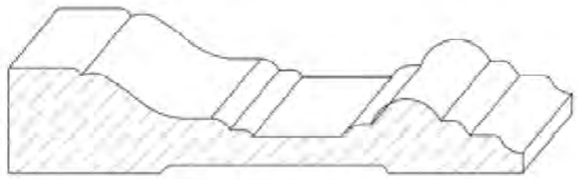
JAK Moulding & Supply, Inc.



JAK Moulding & Supply Inc. started in 2002 in a small farm shop. Because of dedication to quality and customer service we quickly found a need for a larger facility. In 2004 we moved into our new facility and expanded again in 2006 and 2007. One thing that hasn't changed is our dedication to service and quality.

At JAK we carry all types of domestic and exotic lumber. Not only do we carry standard mouldings but with our experienced staff and state of the art equipment we can match or create any profile desired. Please call today, and remember at JAK.....

"We trim your costs.....not your expectations."
